

Good evening,

My name is Tiffany Jadotte and I am a Human Resources Advisor at Caritas Good Samaritan Medical Center. I recently joined Caritas Good Samaritan Medical Center in February 2010 where I had previously worked at the VA hospital in Brockton, MA. Since joining Good Samaritan, I have the good fortune of working with very dedicated and compassionate employees who provide exceptional care to the patients and their families. I feel that the Caritas Christi Health Care system will further benefit from the Cerberus acquisition and will promote job growth for our employees that will create opportunities for career advancement, allow for investments in new technology that will provide additional training and experience for our employees, and attract highly talented candidates.

Thank you for your time.

Tiffany C. Jadotte, MBA  
Human Resources Advisor  
Caritas Good Samaritan Medical Center
